

The 12th International Meeting on Information Display

August 28-31
EXCO, Daegu, Korea

Welcome Message

On behalf of the Organizing Committee of the 12th International Meeting on Information Display (IMiD 2012), I would like to sincerely appreciate your attention on the IMiD 2012 to be held at EXCO, Daegu, Korea during August 28~31, 2012.

IMiD 2012 continues a series of annual conferences began in 2001, organized by the Korean Information Display Society (KIDS) and the Society for Information Display (SID). The IMiD has become a premier conference for academic, industry, and business leaders to meet, publish results and share knowledge in the information display with more than 2,500 attendees.

The conference includes keynote presentations, technical oral presentations, tutorials and poster presentations. The IMiD 2012 will also be a great opportunity for everyone attending to enrich his/her professional network as well as an excellent occasion to visit and enjoy one of the most rapidly developing nations in the world, Korea.

We truly hope that you will take this chance to join us in Daegu, to benefit from this grand event, and to lavish in the wonders of the traditional cultures and customs in this hidden jewel of Asia. We will arrange an after-conference tour to *Gyeongju* – the capital of the ancient dynasty of *Silla*. Great weather and delicious delicacies mixed with friendly faces and warm welcomes await you.

We are looking forward to seeing all of you in Daegu, Korea in August 2012.

Thank you.

ByoungHo Lee

Executive Committee Chair of IMiD 2012
