

Chris Chang
Vice President
Nomura Financial Investment

Abstract: What investors are asking about display market.

- 1) Previous cycles no longer seem to apply, new cycle in the making?
- 2) Changing competitive dynamics: Korea, China, Japan, Taiwan
- 3) Is OLED a stepping stone or the next-generation display?

Bio:

Chris Chang joined Nomura's equity research team in September 2009 and covers Korea IT hardware/mobile games. He is the lead writer for global display sector. He holds BA in Economics from Northwestern University. He is a die-hard NBA fan and commissioner of the fantasy NBA league: "The Gentlemen's League."
