

iMID 2018

August 28 - 31, 2018 / BEXCO, Busan, Korea

Company Name	The University of Hong Kong (Technology Transfer Office)
Address	Room 405A, Cyberport 4, 100 Cyberport Road, Hong Kong
President	Dr SC Kim, Director of the Technology Transfer Office, The University of Hong Kong
Website	http://tto.hku.hk
E-mail	evatam@tto.hku.hk
Telephone	+852-2299-0123
Fax	+852-2299-0122
Exhibitor Introduction	The University of Hong Kong (HKU), Asia's Global University, delivers impact through internationalisation, innovation and interdisciplinarity. It attracts and nurtures global scholars through excellence in research, teaching and learning, and knowledge exchange. HKU endeavors to engage in innovative, high-impact and leading-edge research within and across disciplines. HKU has a strong IP asset to induce industry players to work with and to create innovation together.
Exhibit Description	The University of Hong Kong (HKU) has been very active in the research and development of new materials and devices for optoelectronics applications. In this exhibition, HKU will showcase technologies invented by her world-leading scientists in the areas of advanced OLED materials and inorganic LED devices.
Exhibit Product	<ol style="list-style-type: none">1. Phosphorescent emitter materials and functional materials for OLED applications2. Innovative LED technologies for display and lighting applications
