“i’M in Display” Photo Exhibition of the IMID 2019

On behalf of the Exhibition Committee of the 19th International Meeting on Information Display (IMID 2019), we would like to welcome you to the IMID 2019 Special Exhibition.

The IMID 2019 Special Exhibition will be held at the Hwabaek International Convention Center (HICO), Gyeongju, Korea from August 28 (Wed) to 30 (Fri).

As is well known, the IMID is the one of the largest meeting in the field of information display. In every year, more than 2,000 display experts from all around the world had attended the IMID conference and the related IMID Special Exhibition.

This year’s Special Exhibition features three themes including the Enterprise Exhibition, SF-Zone (Show me the Future Zone), and “i’M in Display” Photo Exhibition.

In particular, “i’M in Display” Photo Exhibition is meaningful as it is the first event to be exhibited at the IMID 2019. Through this Photo Exhibition, we hope to bring an amazing experience for participants to share the moments of new discovery in the field of information display. This will allow us to get the artistic beauty of discovery as well as technical knowledge.

“i’M in Display” is open to anyone who wants to participate. Particularly, we encourage the participation of universities, research institutes and companies in the field of information display. The several interesting and imposing photographs will be rewarded. Don’t miss the chance!

To participate in Photo Exhibition, please fill out the application form and submit it through the “i’M in Display” Photo Submission System.
