

iMiD 2022

The 22nd International Meeting on Information Display
August 23-26, 2022 / BEXCO, BUSAN, KOREA

Company Name	Center for Photonic Materials & Devices	Company Logo
Address	77 Yongbong-ro, Buk-Gu, Gwangju 61186, South Korea	 광소재부품연구센터 Center for Photonic Materials & Devices
President	Sang-Wan Ryu	
Website		
E-mail	sangwan@chonnam.ac.kr	
Telephone	062-530-3778	
Fax		
Exhibitor Introduction	CPMD is a research institution dedicated to develop novel photonic materials and optical devices. It works on research services in the area of laser diode, light emitting diode, passive optical components as beam splitter and integrated lightwave circuit. It provides characterizations services as SEM, and optical device measurements.	
Exhibit Description	Poster Panels of Research Projects	
Exhibit Product	Research Service, Measurement Service
