

iMID 2022

The 22nd International Meeting on Information Display

August 23-26, 2022 / BEXCO, BUSAN, KOREA

Company Name	Schrödinger Korea LLC	Company Logo
Address	13F, 373, Gangnam-daero, Seocho-gu, Seoul, Korea (06621)	
President	Paul Jonathan Davie	
Website	https://www.schrodinger.com/	
E-mail	info-korea@schrodinger.com	
Telephone	010-5498-1657	
Fax		
Exhibitor Introduction	Schrödinger is deeply committed to investing in the science and talent that drive its computational platform. Schrödinger was founded in 1990, has over 800 employees and is engaged with customers and collaborators in more than 70 countries. We service sales and consultation of strong physical property prediction solutions based on quantum and molecular dynamics and have been introducing and partnering companies for machine learning platform based on interactive collaboration platform.	
Exhibit Description	The Schrödinger platform accelerates the optimization and discovery of novel materials solutions at lower cost and a higher likelihood of success compared to traditional methods. In this exhibition, it will be displayed Schrödinger materials science technology for OLED materials R&D.	
Exhibit Product	Quantum mechanics / Molecular mechanics simulation tool Live Design (Platform)
