Exhibitor Introduction	Todd's focused vision and drive have positioned <b>HYPHY</b> at the cutting edge of video system and equipment design technology. A PhD in Computer Science from Carnegie Mellon University and over 38 years experience in tech startup leadership positions, ranging from chips through to parallel systems, have given Todd the skills to transform theoretical concepts into practical, market-ready products. His founding of the highly successful <b>HDcctv Alliance</b> resulted in the global sale of multi-millions of interoperable HD video cameras for security and surveillance.
