## iMiD 2023

The 23rd International Meeting on Information Display  
August 22-25, 2023 | BEXCO, BUSAN, KOREA

Company Name	NICELMS Co., Ltd	Company Logo
Address	50-10, Eungbong-ro, Eungbong-myeon, Yesan-gun, Chungchungnam-do, 32446, Korea	
President	Park Yong Chan	
Website	www.nicelms.com	
E-mail	skkim@nicelms.com	
Telephone	+82-70-4376-3807	
Fax	+82-70-4376-3898	
Exhibitor Introduction	<div>1. Korea's one of the largest suppliers of develops and manufactures high-strength Al alloy products for use in a wide range of industries, including electric vehicles.</div> <div>2. Developed an eco-friendly Al-Mg alloy material and ECO-Mg.</div> <div>3. Developed a high purity Al sputtering target for semiconductor and display industry.</div>	
Exhibit Description	<div>1. We manufacture sputter targets in high purity Al, used in display and semiconductor manufacturing processes, and have the technology to manufacture a variety of sputter targets in both plate and rotary shapes.</div> <div>2. In this exhibition, we are exhibiting disk, plate, and rotary sputter targets developed by our company.</div>
