

iMiD 2023

August 22-25, 2023 / BEXCO, BUSAN, KOREA

Company Name	AQLASER	Company Logo
Address	C-535#, A-202#, 187, Techno2-ro, Yuseong-gu, Daejeon, Korea (34025)	
President	Jihoon Choi	
Website	http://www.aqlaser.com	
E-mail	cjh@aqlaser.com	
Telephone	+82-10-4474-0892	
Fax	+82-42-671-8845	
Exhibitor Introduction	<p>AQLASER is a specialized company in bonding processing equipment, precision processing equipment, and mass simultaneous transfer and bonding equipment in the next-generation semiconductor and display fields using an advanced laser.</p> <p>AQLASER has a high-power, large-area homogenizing laser beam and high-speed precision alignment and bonding technology, and is specialized in the manufacturing process of AR/VR modules, smart watches, and display panels.</p>	
Exhibit Description	<p>Mini/Micro LED Laser Mass Transfer Mini/Micro LED Laser Bonder Mini/Micro LED Laser Rework Machine Glass PCB Grooving/Cutting Machine</p>	
Exhibit Product	<p>Laser Bonder, Laser Transfer, Laser Cutting, Laser Repair and Rework</p>
