Telephone	02-957-2665	
Fax	02-960-2488	
Exhibitor Introduction	<p>Youngpoong GK is the official agency of Konica Minolta and handles luminancemeters, illuminancemeters, and colorimeters.</p> <p>Quick response and abundant equipment support can ease your inconvenience. With the rich experience of responding to many companies and laboratories, we will find a suitable way. We also provide total solutions with excellent partners.</p>	
Exhibit Description	<p>Let me introduce you to the CA-527 and CS-3000 series, which are newly released this year. CA-527 improves accuracy at low luminance and supports many functions. The CS-3000 series is a great help in research time with much faster measurement speed than the CS-2000.</p>	
Exhibit Product	CA-527, CS-3000
