

# iMiD 2026

The 26th International Meeting on Information Display  
August 18-21, 2026 / BEXCO, BUSAN, KOREA

Company Name	Fluxim AG	Company Logo
Address	Katharina Sulzer Platz 2 8400 Winterthur Switzerland	
President	Beat Ruhstaller	
Website	<a href="http://www.fluxim.com">www.fluxim.com</a>	
E-mail	info@fluxim.com	
Telephone	+41-44-500-47-70	
Fax	+41-44-500-47-79	
Exhibitor Introduction	<p><b>Fluxim AG</b> has been supporting both academic and industrial R&amp;D in the display sector since 2007. Our simulation software <b>Setfos</b>, <b>Laoss</b> and <b>Opixs</b> are industry-proven tools for the design and optical modeling of OLEDs, QD-LEDs, perovskite-based emitters, and other emerging display technologies. For experimental work, we provide advanced characterization platforms including <b>Paios</b>, <b>Phelos</b>, and stability testing systems <b>Litos</b> and <b>Litos Lite</b>, enabling fast, reliable insights from fresh device measurements to long-term degradation analysis.</p>	
Exhibit Description	Fluxim's commercial tools for R&D in emerging display technologies including OLED, QD-LED, Perovskite LED are introduced at the exhibit	
Exhibit Product	The all-in-one opto-electronic measurement system <b>Paios</b> will be demonstrated alongside the simulation software <b>Setfos</b> , <b>Laoss</b> and our latest design software for next-generation displays concepts – <b>Opixs</b> .
