

iMiD 2026

The 26th International Meeting on Information Display
August 18-21, 2026 / BEXCO, BUSAN, KOREA

Company Name	SJ Company CO., LTD	Company Logo
Address	#1118, 16, Heungan-daero 427beon-gil, Dongan-gu, Anyang-si, Gyeonggi-do, Republic of Korea	
President	Sang Joon, Park	
Website	www.sjc2.co.kr	
E-mail	sjpark@sjc2.co.kr jiwons25@sjc2.co.kr	
Telephone	+82-10-3403-0642 +82-10-9069-7143	
Fax	+82-31-203-0641	
Exhibitor Introduction	<p>SJ Company is a provider of semiconductor, display materials, and process services. In particular, we excel in the display field with a diverse range of glass products and comprehensive multi-process services for micro-LED, including metal deposition and patterning.</p> <p>Furthermore, we actively pursue continuous technological advancement through research and development collaborations with domestic research institutes and universities. And, we have a track record of more than five technology patents and technology transfers.</p> <p>SJ Company is here to showcase our tailored technical expertise and swift responsiveness—empowering research-driven teams to pursue new innovations and helping customers enhance and refine their existing products.</p>	
Exhibit Description	<ol style="list-style-type: none"> 1. Glass wafer : We handle various types of glass and quartz wafers, including Eagle-XG, ITO, Soda, Boro, and offer them in a wide range of sizes from 2 inches (50mm) to 12 inches (300mm). 2. 2G Glass : We are capable of depositing various metals such as Mo,
