

iMiD 2026

The 26th International Meeting on Information Display
August 18-21, 2026 / BEXCO, BUSAN, KOREA

Company Name	LIGHT CONVERSION KOREA Co., Ltd	Company Logo
Address	520-ho, 65, Techno 3-ro, Yuseong-gu, Daejeon, 34016, Korea	
President	Jungsik Seo	
Website	https://www.lightcon.com/	
E-mail	jungsik.seo@lightcon.com	
Telephone	+82 42 368 1010	
Fax	+82 42 368 1011	
Exhibitor Introduction	<p>LIGHT CONVERSION is a globally renowned ultrafast laser manufacturer, designing and manufacturing femtosecond lasers, wavelength-tunable sources (OPAs), optical parametric chirped-pulse amplifiers (OPCPAs), microscopy sources, and spectroscopy systems. This comprehensive portfolio represents a best-in-class collection of devices tailored for femtosecond applications in industry, medicine, and research.</p>	
Exhibit Description	<p>LIGHT CONVERSION is a global leader in ultrafast technology, designing and manufacturing: Femtosecond Lasers, Wavelength-Tunable Sources, OPCPA Systems, Microscopy Sources, Spectroscopy Systems. The comprehensive portfolio represents the best-in-class lasers tailored for industry, science, and medicine.</p>	
Exhibit Product	<p>Femtosecond Lasers, Wavelength-Tunable Sources, OPCPA Systems, Spectroscopy Systems, Microscopy Sources</p>
